

New Winstar Enterprise Co., Ltd.

Side channel blowers, turbo blowers,
rotary vane vacuum pumps, pressure
relief valves

Founded in 1990, New Winstar Enterprise Co., Ltd. specializes in manufacturing parts, and accessories for mechanical applications, including side channel blowers, turbo blowers, rotary vane vacuum pumps, and pressure relief valves.

With a specialized R&D and production team, the company adheres to high testing and inspection standards to ensure product quality. In 1993, the firm started developing side channel blowers with CE-approved IE2 and IP55 motors, using 100% Taiwan-made parts.

New Winstar exports all its products globally, mainly to Germany, the Netherlands, Africa, and Chile, under its own SIROCCO, ECOAIR, and AERIAL brands.

To meet customers' demand for quality and cost efficiency, the firm provides efficient, attentive services and diversified products with one-year warranty, also steadily improving and regularly developing products to keep up with industry trends.

New Winstar welcomes OEM, ODM, and OBM orders. Buyers can also go to <http://www.youtube.com/watch?v=6pRqtQk7xnI> for more information.
